

AUSTRALIAN COATINGS SHOW 2024

Time		Wednesday 29 May 2024
Start	End	
3:00	6:00	Registration Desk – Pre-Function Area in front of Meeting Place Level 1
6:00	10:00	Welcome Function – Terrace 1, 2 and 3 + Terrace Rooftop Level 2 Cash Bar 9:00 – 10:00pm

Time		Thursday 30 May 2024	
Start	End		
7:00	5:00	Registration Desk – Pre-Function Area in front of Meeting Place Level 1	
8:15	9:00	Conference Breakfast – Meeting Place 1/2/3/4	
9:00	10:00	AGM, President's Address and Awards Presentation	
10:00	10:45	Keynote Address Niko Safavi Mowilex Sustainability's Conclusion – The Dawn of Environmental Accountability	
10:45	11:15	Lou Cash Memorial Lecture Andriy Voronov North Dakota State University Biobased Polymeric Materials Derived from Plant/Vegetable Oils Triglycerides	
11:15	11:45	Morning Tea – Centre Stage (Exhibition)	
		Meeting 1/2	Meeting 3/4
11:45	12:15	Ashish Kumar Anton Paar Characterisation of Paints & Varnishes	Phil Barker University of Wollongong A new method for evaluating photoinitiator efficiency: application to LED395 curing and a molecular understanding of oxygen inhibition
12:15	12:45	Paul Armistead IMCD Sustainability from a Distributor Point of View	Luc Sterckx Allnex Why is sustainable performance important
12:45	1:45	Lunch – Centre Stage (Exhibition)	

1:45	2:15	David Baggs Global Greentag The Expanded Role of Paints and Coatings in Australia's Green and Healthy Buildings	Elmira Siroospour on behalf of Benno Blickenstorfer TCL Hofmann/Songwon Industrial Group (\$) Light Stabilisers in the Coatings industry : Solutions to current and future challenges
2:15	2:45	Jasmine Lim Wacker Giving Coatings a new Perception with SILRES BS	Priscilla Johnston Defence Science & Technology Group Heat Induction Coating Removal – RAN Trial
2:45	3:15	Ankush Panchagade Momentive Performance Materials Silicone for Anti-scuff/ Scuff Proof coatings	Dylan Audeyev Tronox Holdings PLC Countdown to 2030
3:15	3:45	Afternoon Tea – Centre Stage (Exhibition)	
3:45	4:15	Kevin Roden Arxada The Protection of Coatings from Surface Fungal Growth	Csongor Komjati Wacker (\$) Wacker's recent Silres silicone resin developments for Flooring, Stone Carpet and High Heat Resistant Coating application
4:15	4:45	Mei Ling Liew Synthomer Hydrophobic Dispersion Technology for effective metal protection	Ian Clark Paintspection "I think I have faulty paint!"
4:45	5:15	Willem van Gerresheim ADDAPT Chemicals Development of the Ultimate Universal Pigment Dispersant	Larry Teachout Behr Paints Proper Colorant Formulation to Improve Properties of Tinted Decorative Paints
6:00	7:00	Pre-Dinner Drinks – Meeting Place Pre-Function Area Level 1 Young Chemists Cocktail Party – Invitation only – Little Bossley Ground Floor	
7:00	12:00	Gala Dinner – Meeting Place 1/2/3/4 Cash Bar 11:00 – 12:00 midnight	
		\$ = paid commercial presentation	

AUSTRALIAN COATINGS SHOW 2024

Time		Friday 31 May 2024	
Start	End		
7:00	3:30	Registration Desk – Pre-Function Area in front of Meeting Place Level 1	
7:00	8:45	Women In Coatings Breakfast – invitation only – Terrace 1/2 Level 2	
8:00	9:00	Breakfast with the Exhibitors - in Centre Stage	
		Meeting 1/2	Meeting 3/4
9:00	9:30	Yogesh Marathe Momentive Performance Materials Functional Silicone Additives for Durable Exterior Architectural Coatings	Denis Wright Sparc Technologies The journey of Graphene and its Utilisation in Protective Coatings
9:30	10:00	Joe Lombardo Chemadd Know your products, customer needs and Know- How	Dr Nurudin Budiman Connell Caldic Bio-based open time prolonger
10:00	10:30	James Manikath Luxury Paints A layperson’s method to characterise polymers in latexes	Cem Novella Static Electricity Control Static Electricity in the Dangerous Goods/ Hazardous Area Environment.
10:30	11:00	Morning Tea – Centre Stage (Exhibition)	
11:00	11:30	Mercy Baniasad Metz Group (\$) Corrosion Beyond Atmospheric – Protective Coatings in Extreme Environments	Dr David Myint ATA Scientific Elevating Engineering to an art form
11:30	12:00	Steven Herbert TZMI The Old World and the Great Wall – dynamics in the TiO2 pigment supply	Alice Endersbee BASF Highest opacity and sustainability – waterborne high solids dispersions for wood paints
12:00	12:30	Shaun Patrick eVic The Innovations, Stories, and Lessons of 2023: A Year In Review	Swati Sharma Paintback A World of Possibilities in the left- over Paint and Packaging – Paintback Perspective

12:30	1:30	Lunch – Centre Stage (Exhibition)	
1:30	2:00	Shailendra Bhatkhande Cardolite (\$) Green Technologies for Coatings Industry	
2:00	2:30	Dale Peterson Bondline Static Control Solutions Antistatic, Conductive, Dissipative. The importance of grounding personnel and correct PPE	
2:30	3:00	Afternoon Tea – Centre Stage (Exhibition)	
3:00	3:30	Closing – Meeting 1/2	
		\$ = paid commercial presentation
